

Crisis Management Plan

- Call 911
- Tend to the injured.
- Provide guidance for emergency vehicles.
- Secure area.
- Notify company officials.
- Gather all jobsite workers. (If necessary)
- Restrict all cell phone use.
- Restrict all workers from talking to the media.
- Remove all company logos and signage as reasonable.
- Begin investigation. (Take pictures, locate witnesses)
- Notify L&I/DOSH (only in the event of a fatality/probable fatality, or a hospitalized employee) (L&I 800-321-6742)
- Only the company president can authorize who may speak to the media and contact family members.
